PUMA — brand of NYCO Cordura®
Fabrics by COMPAGO® Defend

PUMA fabrics are in active
use in these countries:

PUMA is our most produced brand of NYCO Cordura® COMPAGO® Defend Fabrics. It is in use by the Armed Forces of Republic of Croatia since 2008 and it represents a significant improvement over the standard poly-cotton fabrics, both in the field of the safety and well-being of the operatives and extremely high physical parameters.

PUMA is the premium choice for durable and breathable combat garments ranging from light shirts to moderately heavy combat jackets.

COMPAGO® Defend stands for top-quality/top-spec battle-proven fabrics made of CORDURA® NYCO materials used by the most demanding operators in the world.
